## Welcome to EUFMC!

The EUFMC is celebrating 73 years as the premiere educational event for utility fleets. We are pleased to offer an experience filled with learning and networking opportunities, as well as special activities for attendees and their families.

An EUFMC registration includes access to all events including 3 meals a day Monday through Wednesday. Seats at dinner are reserved for attendees and spouses each night. Many activities require signing up in advance. A tentative schedule is included here and up-to-date details will be posted in the EUFMC app, available late May.

2026 marks an extra special year for EUFMC as we commemorate both 250 years of American Independence and 100 years of Colonial Williamsburg. Come celebrate the United States Semiquincentennial with us in the place where it all began!

Be sure to download the **EUFMC app** before you get to Williamsburg to plan your trip, access up-to-date information and receive important notifications!
