

2021 EUFMC

Essential Tools for Fleet Excellence

June 8-9 & 15-16

Virtual Event | EUFMC.com

EUFMC Plans Special Presentation by Jim Abbott

*Former MLB pitcher to share his inspirational story and all registered fleet reps will receive a signed copy of Abbott's book – *Imperfect: An Improbable Life*-- courtesy of International Trucks*

No obstacle is too big to overcome for Jim Abbott. After being born with only one hand, the pursuit to making it to the major leagues did not deter him. Through stories, anecdotes, jokes, and even some self-deprecation, Abbott will share with attendees during the 2021 [Electric Utility Fleet Managers Conference](#) how he overcame perceived limitations and achieved his dreams. All fleet representatives attending the conference will also receive a signed copy of *Imperfect: An Improbable Life*, Abbott's book about his inspiring life story, courtesy of International Trucks.

As the first baseball player to win the Sullivan Award as the nation's outstanding amateur athlete in 1987, Abbott went on to represent Team USA, win a silver medal at the Pan-American Games and the US Baseball Federation's Golden Spikes award as the best amateur player in the country. In the 1988 Olympics, he was the winning pitcher in a victory that brought the U.S. its first gold medal in baseball. Drafted after graduating from college, Abbott went on to play for ten seasons on four different teams.

[EUFMC Conference Registration](#)

For fleets, **Buy One, Get Two** registration fees include:

- One attendee: \$150
- Two attendees: \$300

Please share the link with representatives from your company who would like to attend.

Essential Tools for Fleet Excellence educational sessions at EUFMC 2021 will feature presentations by industry leaders and live Q&A. Topics (subject to change) include:

- **Autonomous Trucks**
- **Autonomous Equipment**
- **Safety Technology: Cell Use While Driving**
