

2021 EUFMC

**Essential Tools
for Fleet Excellence**

June 6 – 9
Williamsburg, VA

STAY CONNECTED WITH EUFMC

With planning for the 2021 Electric Utility Fleet Managers Conference underway it's more important than ever to stay connected with EUFMC and your fellow attendees.

Annual attendance at EUFMC regularly exceeds 125 [utility fleet representatives](#) from investor-owned electric utilities, electric cooperatives and electrical contractors, and over 350 representatives from 100 [manufacturers and service providers](#). Networking has always been a hallmark of the industry's premier conference for utility fleet professionals, and this year maintaining those connections is even more essential.

EUFMC offers several ways to stay connected, and to stay on top of conference news and plans:

- Check the [Electric Utility Fleet Managers Conference](#) web site
- Connect your personal and/or company page to [EUFMC on LinkedIn](#)
- Follow [EUFMC on Twitter](#)
- Visit [EUFMC on Facebook](#)
- [Email EUFMC](#)

At EUFMC 2021, to be held June 6-9 at the Williamsburg Lodge and Conference Center in Williamsburg, Virginia, educational presentations by fleet executives, manufacturer representatives and industry experts will focus on [Essential Tools For Fleet Excellence](#). Roundtables, where fleet executives address common challenges by sharing best practices and working with suppliers to find solutions, will be held as well.

EUFMC is also the site of Utility Equipment Drive-Through Demonstrations featuring educational and technical presentations by suppliers, and an Equipment Show with more than 60 displays of vehicles, equipment, components, and a wide range of technologies and services.
